Price:	<b>€ 20 500</b>		

The unit in the archive

Indian Scout Bobber. Stripped down with an aggressive stance and raw power, the Scout Bobber is a modern take on the iconic bobber style. The liquid-cooled, 69-cubic-inch, 100-horsepower V-twin delivers punchy acceleration and the power to pass anyone, anywhere. Electronic fuel injection delivers class-leading horsepower and acceleration, while a responsive 6-speed transmission allows for sporty, aggressive riding.
